

Urban Forest Festival

3rd - 24th September 2020

Arboriculture Australia

Arboriculture Australia - Continuing Education Units (CEUs) Attendance Form

Tick Virtual Session Attended	Presenter	Course/Session Name	CEU Values
<input type="checkbox"/>	Prof Tim Entwistle	<i>Bob Such Keynote Address:</i> Trees, Resilience and Climate Change	0.75
<input type="checkbox"/>	Dr Greg Moore OAM	It isn't rocket science. We can make a difference in climate change!	0.75
<input type="checkbox"/>	Kelly Hertzog	Tree Valuation: implementing new strategies for urban forestry in the City of Melbourne	0.5
<input type="checkbox"/>	Dr Michael Taffe	The Avenue of Honour a neglected Australian Story	0.5
<input type="checkbox"/>	Dan Lambe	The Urgency of Now	0.5
<input type="checkbox"/>	Cameron Ryder	Formative Pruning	0.5
<input type="checkbox"/>	Alex Czura	Tree Sensitive Approach to Infrastructure Development	0.5
<input type="checkbox"/>	Dr Thomas-Astell Burt Dr Xiaoqi Feng	Reaping the Benefits of Green Space	0.5
<input type="checkbox"/>	Dr Dave Kendal	What do people really think about trees? Insights for planning a climate ready urban forest	0.5
<input type="checkbox"/>	Karen Sweeney	Beyond boundaries – new spatial analysis for equitable and resilient greening	0.5
<input type="checkbox"/>	Phillip Julian	Specific and achievable canopy targets – how to model your capacity for tree canopy	0.5
<input type="checkbox"/>	Dr Tony Matthews	Future Proves Past: Lessons learned & future innovations for urban trees and greenery	0.5
<input type="checkbox"/>	Brenton Grear	Making Greater Adelaide Greener	0.5
<input type="checkbox"/>	Xanthia Gleeson	Student presentation Impacts of enhanced storm water infiltration on urban <i>Melia azedarach</i> functioning in dry season	0.5
<input type="checkbox"/>	Hussain Shazad	Student presentation Catchment Hydrology - Before & After WSUD Treatments	0.5
<input type="checkbox"/>	Dr Tim Johnson	Collaborative Approach to Green Engineering	0.5
<input type="checkbox"/>	Greg Ingleton	Irrigated Greenspace - improving the liveability of towns and suburbs	0.5
<input type="checkbox"/>	Ben Kenyon	Tree Risk Assessment & Management After Bushfire	0.5
<input type="checkbox"/>	Stephanie Jacobs	Urban heat modelling for decision making	0.5
<input type="checkbox"/>	Katie Denoon	Green Streets Program – Community Engagement	0.5
<input type="checkbox"/>	Leigh Stass	Which Plant Where Project How best to approach street tree species trials?	0.5
<input type="checkbox"/>	Jim Binney	What does an urban forest really cost? Developing the Tree Budget Tool	0.5
